Senior Surgeon's letter No Y 110 dated the 3

Abstract Contingent bill of the
Chikmagalur Civil Hospital
for the month of March, 190
the sum of Rs: 117-11-6 was not
accounted for in the detaile
Contingent bill for that month
thereupon the Comptroller direc

excess should be deducted

to Govt for obtaining sanction
to write the excess off the accounts.
Accordingly in his present letter,
the Senior Surgeon requests that
pending final orders of Govt,
the Comptroller be directed to
have the abstract Contingent
bills of the Hospital Concerned,
encashed without any deduc-
-tion therefrom, as the Hospital
is put to much inconvenienc
in the supply of the required
articles.

The Civil Surgeon says in his
letter to the Senior Surgeon, no 61
of the 13th July, 1902, that "the
Hospital writer T.Y. Krishna
Row altered the figures in the
abstract Contingent-bill after
my signature, drew the money
in excess and misappropriated
the amount, and that the above
writer is being prosecuted".

During the Official year 1900-0,
an expenditure of Rs: 1192-8-1
was incurred in the very same
Hospital over and above the
Budget allotment under the
heads

reads "Contingencies and diet to patients" and the Senior Surgeon's office wrote a very urgent letter to Govt for orders to have the excess expenditure debited to general savings in the Budget for the ~~Current~~ succeeding year 1901-02. There was a delay of nearly a year in making the above applin, and the Senior Surgeon was requested to obtain and submit the Civil Surgeon's explin both for such a large extra charge and for the delay. In reply, the Civil Surgeon ~~said~~ reported thro the Senior Surgeon that he was not in a position to explain, as the writer of the Hospital seemed to him to have made away with all the records and references bearing on the subject. Thereupon Govt declined to sanction the excess expenditure referred to and directed the Senior Surgeon to fully investigate into the matter and submit a report. This report has not yet been received and a reminder to the Senior Surgeon was issued on the 16th instant.

To the Dewan through the 2nd Councillor -

M. 21/ 24-10-02.

The matter is under enquiry - Dr Fernandez's explanation is awaited - He will probably be wanted to be called upon to make good not only this sum but several others. In the meantime reimbursements from the bills for subsequent months deemed undesirable in public interest - The embargo placed on those bills by the Comptroller may be removed - I agree to the proposal -
